## Front End Images

For licensed users, this release includes over 500 new images and thousands of updated images for Front Clips (PT 100). The Hollander Interchange now contains over 6000 front end images.

## New Coverage for Front Seats

New coverage for Front Seats (PT 202) has been added for the latest generation of American and Canadian vehicles. Coverage will be extended back to the year 2000 by the 75.04 release.

## Renamed Part Types

### Part Type 592

Elec Parts, Misc, has been renamed to **Electronic Pts, Msc.**

### Part Type 610

Coil has been renamed to **Coil/Ignitor**, and additional coverage has been added for Ignitor.

## Interchange Action Requests (IARs)

We processed approximately 504 Interchange Action Requests (IARs) for Hollander Interchange release 75.2.

### IARs are contributions submitted by our clients to:

- Improve the Hollander Interchange.
- Request new part type coverage.
- Report errors and/or omissions.
- Point out software and/or display issues.

## Submitting IARs

Please email or fax us your Interchange Action Requests.

**Email:** [interchange@audatex.com](mailto:interchange@audatex.com)

**Fax:** (763) 553-0644

## Our Goal to You

Our goal is to fax or mail you an acknowledgement within one business day, and a status within five business days of receipt. The status response will tell you:

- If the request has already been incorporated,
- In which release the request will be incorporated,
- If we need to investigate the issue and/or request additional information.

## Technical Support
